Selling Points

1 Sharing Has Never Been Easier

The **Acer Revo** is a master of sharing multimedia between all of your **Clear.fi** enabled digital devices. **Revo** can access photos and videos from your smartphone, display them on your TV, and save the files to your notebook!

Featuring the **Acer clear.fi solution**, automatically connect all of your household digital devices, including your smartphone, mobile Internet device, notebook, all-in-one PC, HD media player, and more. Super-easy to use, Clear.fi allows you to manage, store, share, and enjoy media between any Clear.fi enabled devices, in any room throughout your home.

Innovative **dual-mode wireless touchpad/keyboard** pops out of the sleek Revo 100 chassis, enabling effortless multimedia control. You can easily switch from multi-gesture touchpad mode to keyboard mode with a single press!

2 Ultimate Style & Performance

The **Acer Revo** boasts a chic slim design. The shiny copper-color of the power button and volume wheel contrast nicely with the overall matte black finish. This PC is sure to add a nice touch to any room in your home.

The **AMD Athlon™ II Neo processor** is designed to deliver the balanced performance you need to enjoy your favorite applications. Browse the Internet, read and send email, watch videos, and play games – all on the go.

Turn up the visuals with **NVIDIA® ION™ Graphics** supporting Microsoft® DirectX® 10 and 3D video games in full HD and blast the sound with High-Definition Audio Support.

750GB Hard Drive provides plenty of room to store your favorite movies, photos or games for instant access wherever you are.

3 Instant Multimedia Fun

Stay in touch all day with **Gigabit Eithernet** connectivity and built-in **802.11b/g/n wireless** which automatically detects hotspots, and reduces dead spots and dropped connections. Whether using it in your home or other location- you'll be connected.

The **HDMI interface** makes it a perfect fit for the living room, where it can easily connect to a big screen TV or monitor for enjoying digital media or casual games in high quality.

Three USB ports and a **Media Card Reader** make transferring your photos and other files as easy as ever.

Windows® 7 Home Premium delivers a premium multimedia entertainment experience and with Office Starter 2010, experience new ways to deliver your best work!

(1) Overall system performance is based on several PC attributes. GHZ, processor clock speed, is one of the attributes.

(2) Shared system memory may be allocated to support integrated graphics depending on system memory size and other factors. Actual system memory available to the operating system will be reduced by the amount of shard system memory utilized by the graphics solution and resources required by the operating environment.

(3) For a free copy of the standard limited warranty end users should see a reseller where Acer products are sold or write to Acer America Corporation, Warranty Department, P.O. Box 6137, Temple, TX 76503.

(4) 60-days of complimentary subscription. Internet connection required to start trial.

(5) Includes Microsoft® Office 2010 preloaded. Purchase a product key to activate a full Microsoft® Office 2010 suite. This PC is preloaded with reduced-functionality versions of Word and Excel that include advertising. PowerPoint, Outlook and Publisher are not included.

(6)Purchase an Office 2010 product key to activate one of the following Office 2010 suites preloaded on this PC: Office Home and Student 2010, Office Home and Business 2010, Office Professional 2010.

(7) Additional fees and conditions apply
